

Kely from Cusco

Cusco, Peru

Kely received her undergraduate degree in Psychology and is now busy pursuing her master's degree. She also works full time in a services business, where she is responsible for mailing documents. Her dream is to finish studying her master's. She is asking for this loan of \$1,425 in order to pay the monthly installments for her degree.

She feels extremely fortunate to receive this loan and is committed to carrying out the loan installments on time.

This September Cascade Investment Advisors decided to focus its lending efforts to a very busy student in Peru...

Located high in the Andes Mountains, Peru boasts one of the fastest growing economies in the Americas. Despite this positive trend, Peru still contains a worrying number of rural poor. Our hope by lending to students like Kely in Cusco is to help support the young people responsible for shaping Peru's future.

Please join Cascade Investment Advisors in assisting developing world entrepreneurs by joining our Kiva team at Kiva.org and engaging yourself in the fight against poverty. We applaud and support your efforts!
